HOSPITAL SKID UNITS

WATERPROOF
DURABLE
EASY MAINTENANCE

ABOUT OUR HOSPITAL SKID UNITS

ACSI Decon Skids allow for the fastest and most efficient decon setup in the industry. Allowing you to integrate directly with the existing hospital power and water systems and all units can be customized to fit your hospital needs. Wide Non-Ambulatory lanes in addition to Ambulatory lanes.

GIVE YOUR RESPONSE TEAM THE FLEXIBILITY TO HANDLE ANY SITUATION.

- Rapid setup time, just turn on the lights and water
- Integrated into hospital systems, lowering maintenance cost
- Spacious non-ambulatory decon lanes
- Easy electrical and plumbing hook-ups
- Custom built to meet your needs
- Optional hot water heater and generator power

OUR COMMITMENT TO INNOVATION HAS MADE US AN INDUSTRY LEADER.

Many configuration options and layouts are available that won't interfere with operations. This quick setup is perfect for those permanent hospital needs. Patients can either enter directly into the hospital to ensure best practice around contamination protocol.
