COMMAND CENTERS

**AMERICAN MADE
MILITARY GRADE**

COMMAND CENTERS

ACSI Command Centers are great for SWAT, Bomb Squad, Security and offer unrivaled design, engineering and fabrication.

In the event of an emergency the public depends on you to be organized, efficient, and quick to respond. Having the right equipment can make all the difference from integrated surveillance to communication equipment.

We build on trailers, trucks, and as container pods.

Multi-purpose command centers are great for:

- Command Area
- Conference Area
- Communications Hub
- Hostage Negotiations Area
- Homeland Security
- Fire Services
- Law Enforcement
- Operational/Briefing Area
- Tactical Workstations
- SWAT Response Vehicle
- Bomb Response Vehicle

Other benefits / optional features:

- Mast Mounted CCTV System
- Weapon Locker
- Exterior Gas Storage
- Bunker Storage
- Slide-Out Rooms
- Scene Lighting
- Exterior Decon Shower
- Restrooms
- Storage for Explosives
- X-Ray Viewer

OUR COMMITMENT TO INNOVATION HAS MADE US AN INDUSTRY LEADER.

ACSI's Command Centers have virtually no limit to the configurations of end use. Design features start from the group up. In addition to having every detail of your unit customized we provide technology that will be adaptable to meet new technology as it develops.
